

# MASTER YOUR FEAR- MASTER YOUR LIFE

WITH KERSTIN PLEHWE

## KEYNOTE

### **Grow strong, increase your impact and create the results you desire**

Understanding and overcoming the mechanics of fear is the key to overcoming the biggest obstacles in your private or business life. Often fear is the No.1 excuse for not following through on important tasks, personal resolutions or corporate strategies but this can be changed.

In this talk KP takes you on her remarkable journey as the only woman becoming a Ranger in South Africa's wilderness. She shares her knowledge about the magnificent animals of Africa as well as her

“THE BASIS FOR PERSONAL GROWTH AND THE NEXT LEVEL OF SUCCESS IS FOUND OUTSIDE OF OUR COMFORT ZONES. THE QUESTION IS: ARE WE READY TO TAKE THE NEXT STEP?”.

unique lessons that made her conquer her personal fears and fully embrace the opportunities of personal growth in an environment of life threatening situations and breathtaking intensity.

Become a better leader and a more resilient personality by taking part in KP's Ranger adventure.

KP will trigger both your senses and your intellect to help you discover the obstacles that are holding you back from being the best version of yourself and creating the best possible outcome in your business.

### **Highlights:**

The mechanics of Fear and how to overcome them

The Mastery of Excellence

Dealing with uncertainty

How to manage risk and reach big goals
